

## Happy Chuseok!!

This weekend is the Korean holiday, Chuseok! This major harvest festival is similar to Thanksgiving. During this 3 day celebration, families come together to eat traditional foods, honor their ancestors, play games, and enjoy time with one another.

We were honored to be invited to a Chuseok meal yesterday at Winnebago Lutheran Academy. About 10 Korean students are attending school there and because they couldn't be home with immediate families, this special event took place for them and their host families (and us!).

We shared quite a yummy feast...
