FAQS

1. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT ANOTHER ONE? Yes. Your child's application is only good for that school year.
2. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

INSTRUCTIONS FOR APPLYING

Follow these instructions to report total household income from **this month or last month**.

- **Section 1–Name:** List all household members who have income.
- **Section 2 –**
 - **Gross Income and How Often It Was Received:** List the income for each household member. Check the box to tell us how often the person receives the income—weekly, every other week, twice a month, or monthly.
 - **Earnings from work:** List the **gross income**, not the take-home pay. Gross income is the amount earned *before* taxes and other deductions. Net income should *only* be reported for self-owned business, farm, or rental income.
 - **Welfare, Child Support, Alimony:** List the amount each person receives, and check the box to tell us how often.
 - **Pensions, Retirement benefits, Social Security, Supplemental Security Income (SSI), Veteran's benefits (VA benefits), and disability benefits.** List the amount each person receives, and check the box to tell us how often they receive it.
 - **All Other Income:** List Worker's Compensation, unemployment or strike benefits, regular contributions from people who do not live in your household and any other income received weekly, every other week, twice a month, monthly, quarterly, or annually. Do not include income from FoodShare, FDPIR, WIC, Federal education benefits and foster payments received by your family from the placing agency. For the self-employed ONLY: under Earnings from Work, report income after expenses. This is for your business, farm, or rental property.
 - If you are in the Military Privatized Housing Initiative or get combat pay, do not include these allowances as income.
