

## Part F: Chromebook Insurance Renewal

**---Complete only if you are a returning student who had insurance the previous year.---**

I have previously purchased an insurance policy on a Chromebook and would like to renew the policy.

I have reviewed the insurance policy found in Part C (Page 6) of the WLA Chromebook Handbook found at [wlavikings.org/tech](http://wlavikings.org/tech), and by signing below I agree to these terms.

I would like to renew the insurance for my student's chromebook for the amount of time listed below and have included the appropriate funds. I understand I will have the option to renew this insurance upon its expiration, and if I choose not to renew this policy it will expire based on my selection below and the device is no longer covered.

I would like to renew insurance for: \_\_\_\_\_ 3 Years (\$80)      \_\_\_\_\_ 2 Years (\$55)      \_\_\_\_\_ 1 Year (\$30)

**Student Name:** \_\_\_\_\_ **Graduation Year:** \_\_\_\_\_

**Parent Name (Printed):** \_\_\_\_\_

**Parent Signature:** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

## Part C: Optional Insurance

Insurance is available for purchase through the WLA Technology Department on an opt-in basis.

Insurance is available at the following rates.

- 4 Years - \$100
- 3 Years - \$80
- 2 Years - \$55
- 1 Year - \$30

Should a student choose to leave WLA, the insurance policy is void from the date of enrollment and is not refundable in any way.

If you would like to add insurance to a device after the device is issued, the device and its issued power cable must be presented to the WLA Technology department for inspection. Any existing damage at the time of inspection will be documented and is not covered by the insurance program.

A graduated co-pay system is in place for each damage claim on the insurance program:

- First Claim - No Copay
- Second Claim - \$15.00
- Third Claim and beyond: \$30.00

For the Lenovo e300 Chromebooks **only** (issued to the class of 2022 and 2023), the copay scale for screens only is as follows:

- First Screen Claim - No Copay
- Second Claim and beyond: \$100

In the event a minor repair is necessary, the cost of the co-pay will not exceed the cost of device repairs.

**The device's charger is not covered by insurance in any way.** A damaged, stolen, or missing charger will not be covered and a replacement will be provided at full cost.

A missing ID tag fine is not covered by insurance. A student must present a device with an id tag and a student picture id to make an insurance claim.

This insurance program will cover 50% of the cost of a replacement device due to loss or theft once per academic year (first day of school until the day before the first day of school the following year.)

WLA reserves the right to cancel an insurance policy without refund for purposeful abuse or destruction of property at the discretion of the technology director.

Insurance is not refundable, non-transferable between students, and does not auto renew.
