

Four-Year Course Planner

This tool assists students who would wish to plan their course work for all four of the high school years at Winnebago Lutheran Academy. The *Four-Year Course Planner* below pertains to typical, four-year students. The circumstances of transfer students and others are accommodated with administrative approval. The planner is particularly useful to those who already have a clear idea of their intended career path or are certain of plans to attend a post-secondary institution.

FRESHMAN YEAR (normally totals 7 credits)
