CONTRACT

I _____ (enter student name), understand that by taking an AGVA online AP or Bethany college course, I will be expected to monitor my course work, quizzes, and tests on my own. If I do not understand something, it will be my responsibility to email my teacher/professor before due dates and copy Mr. Welch on each email for the purpose of documentation. In addition, I understand that an online AP or Bethany course can only be dropped during our WLA add/drop period, and the schedule change fee will apply.

I also understand that all payments for AP exams will be billed to my WLA account, and Bethany courses will be billed directly to me. (WLA will not handle any billing for Bethany courses, and WCPC vouchers will not apply).

Finally, I understand that if I utilize the WI CHOICE voucher, my course fees for the AP AGVA courses will be covered, but I will be responsible for the registration and AP exam fees.
