Step 3: Start earning

Shop 750+ brands

Shop for gift cards from your favorite brands to earn on your daily purchases—like grabbing your morning coffee or buying groceries.

- Tap the “Shop” tab in the app and see today’s bonuses, featured brands, and recommended categories from the Discover page.

- Tap “Categories” to narrow your search by category, like Grocery, Fast Food, and Home Improvement.
- Sort by most popular brands, brand name, and highest earnings.
- Filter by brands on bonus, card type (eGift card, physical gift card, reloadable, ship to home eligible), and denominations.

Buy gift cards

Gifts cards are worth face value and not a penny less. There are two types of gift cards available.

- eGift cards
 - Sent to you digitally, to use on the spot.
- Physical gift cards
 - Ship to home – Exclusively available in the RaiseRight app for 250+ brands. Choose to have select gift cards, labeled “Ship to Home Eligible”, mailed directly to your door when you pay with a bank account or credit card. A small shipping fee applies.
 - Ship to your coordinator – All physical gift cards can be shipped to your coordinator. Orders submitted to your coordinator are rolled up by your coordinator based on their order schedule and placed as a group order. These orders will be shipped to your coordinator to distribute to individual families. Confirm your coordinator offers this shipping option before placing your order.

Set up payment

There are three options to pay that may be available to you—link a bank account, pay by credit card, pay your coordinator directly. Confirm accepted forms of payment with your coordinator if you have any questions or don't see an option available to you.

- Set up bank account: The most popular and convenient way to pay online. Get eGift cards instantly and add money to reloadable cards immediately. There is a \$.15 fee on each transaction.
 - Tap “Account” on the bottom menu
 - Tap “Settings”
 - Tap “Payment Options”
 - Tap “Add Bank Account” and follow the steps to securely link your bank account
- Pay by credit card
 - Pay with a credit card (Discover, Visa, and Mastercard) at checkout with the option to save your card for future purchases.
 - There is a 2.6% fee on each transaction when you pay with a credit card.
- Pay Coordinator directly
 - Pay your coordinator with a check or cash.
 - Orders paid for by check or cash must be marked as paid by your coordinator before they will be fulfilled.
 - Confirm your coordinator accepts these payment methods before placing your order.

Earn up to 20%

Earnings come from brands, not from your pocket. You always raise money immediately—you don't have to wait until you use your gift cards.
