**Personal Mission Quote:** I believe Winnebago Lutheran Academy to be a very special place. Because its mission is to provide Christ-centered education first and foremost, WLA faculty and students alike are privileged to participate daily in work of eternal consequence, that is, educating souls for eternity. What a joy and a privilege to participate in that mission! God's Word provides the means and the zeal to encourage the faith of others and assist them to more fully appreciate God's blessings.
